welcome to **wanatok**

wanatok is an app that brings people together to meet and tok in person

what is wanatok?

It is the Uber for finding people to tok to, in person, in your current location, in your community, work place or university.

We are not a social media platform.

Our sole purpose is to connect people in person, in the real world to tok. We will never sell your data or listen to your conversation.

who is it for?

It is for everyone. It is YOUR platform to help you connect or reconnect with people in person.

There is a conversation for everyone through Wanatok.

Our beliefs are founded on how good an old-fashioned conversation is for you.
